

I am fed up with nothing but telemarketing being shoved down our throats at every turn. Newspapers, TV, Radio, Telephone, even in the statements you receive from venders. It is out of control ... sell, sell ,sell. That,s why TV cable is so popular. I have 2 xm radio accounts, one in the car and one on the motorcycle. No one forced me to sign up and NO ONE should have the right to take it away from me either. Let the NAB clean up their act and compete for my attention instead of crying fowl and running to the FCC for help. Help yourself, redesign your "Wheel" and come after my attention. I respectfully urge the FCC to REJECT the NAB,s petition # 04-160 and to support XM's right to provide me with "What I Want".

Sincerely,
Doug Dowling
